Mr. Delpit!
This year has been a great one
hasn't it?!

Stewart,
You're such a sweet
and kind person.
We only had one
class - biology but
we had fun. When
you were trying to
avoid David it
seemed obvious, its a
wonder he didn't
catch on.. I'm glad ☺
make you jealous :/
me talking about you
know who - just kidding
maybe my crush on
him will wear off
and who know.
I really like you
Stewart. your a
great friend and
supporter of my
feelings. I'd like to
see you sometime.
Call me-ok.

Love Forever

Stewart,
Well, I think that it's been a great
year (overall). Grunch was a blast!
I really enjoyed (wrong) talking about guinea
and Biology. We really lived through
Sophmore Year - I wasn't sure if I
would at times. Oh well, things
always work out don't they ? ? (Ha, Ha).
You'll never say "remember me", because
you might not, but you'd better ! !
Bye! Happy fin de l'année!
Au revoir!

Votre amie,

Stewart,

I'm so glad I know you. You are a wonderful person. It's funny how I knew you for such a long time, but I didn't really "know" you. I'm happy I do now. You have a terrific personality that sparkles with genuineness. You've always been so kind and easy to talk to, really talk to. I usually find it difficult to talk to people, but it's different with you. I guess you're so open yourself that it kind of rubs off. I hope I can see you sometime over the summer. Take care of yourself and thanks for being you! You are a wonderful friend.

Love,

Dianna

Stewart (Mr. Delphic)
This has been a wonderful year! I am glad we got to know each other better. Hope to see you next yr. Have a nice summer and see you next yr.

Stewart,
You have been a nice person. Biology (sad) & P.E. (yes) Get Albert Jack, Geometry (fun next year), in all your classes. Love, Diane

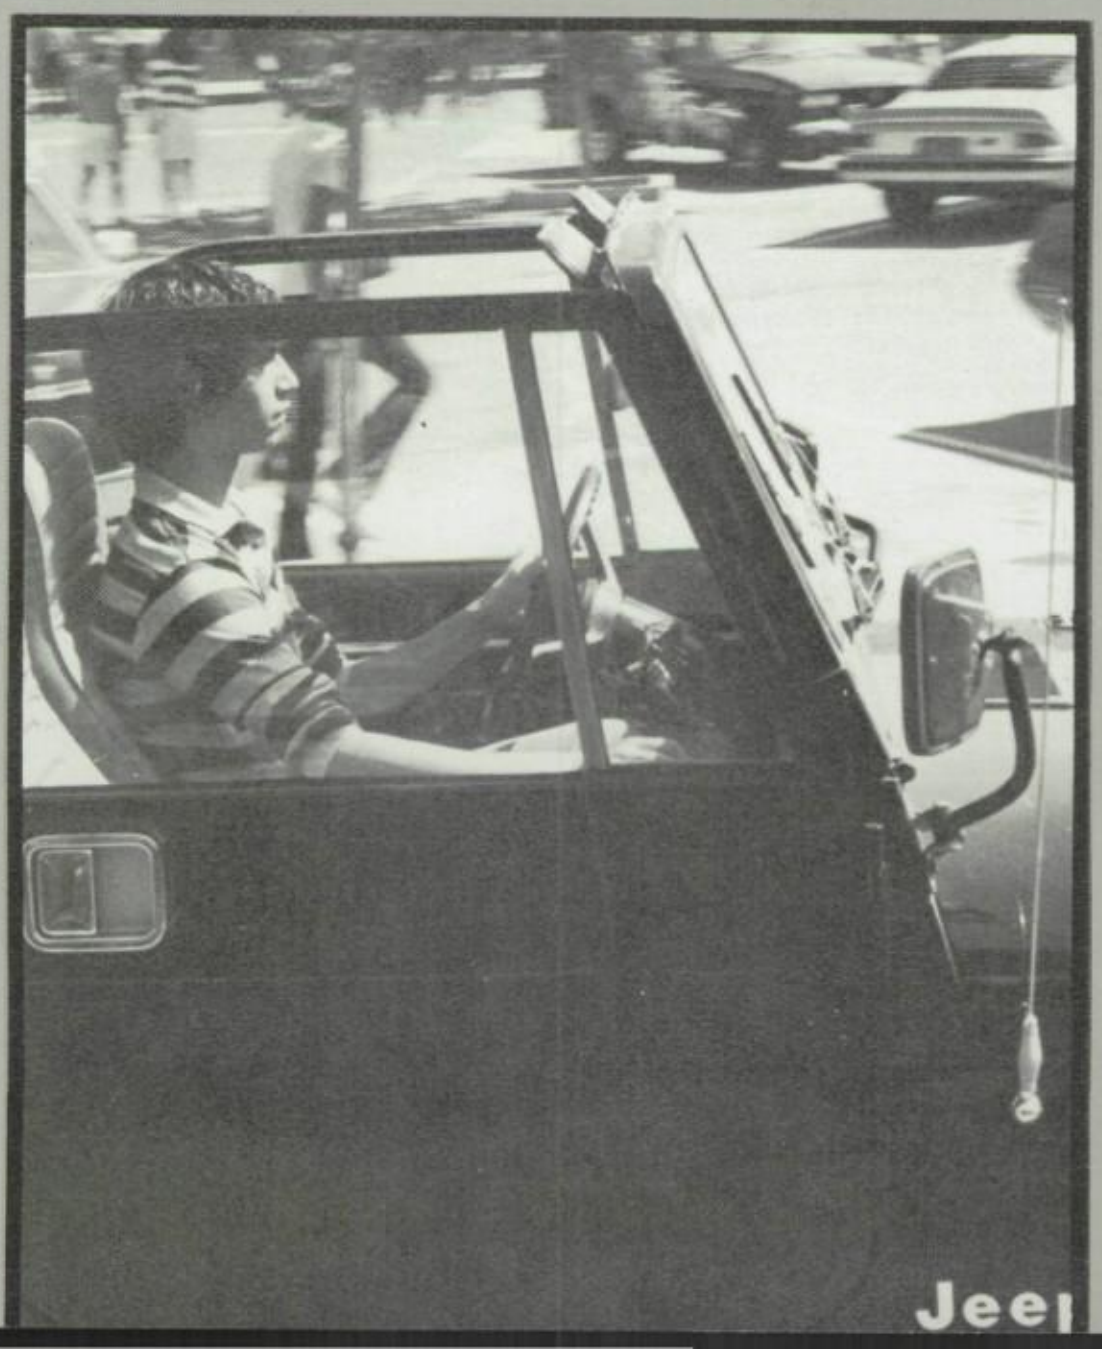
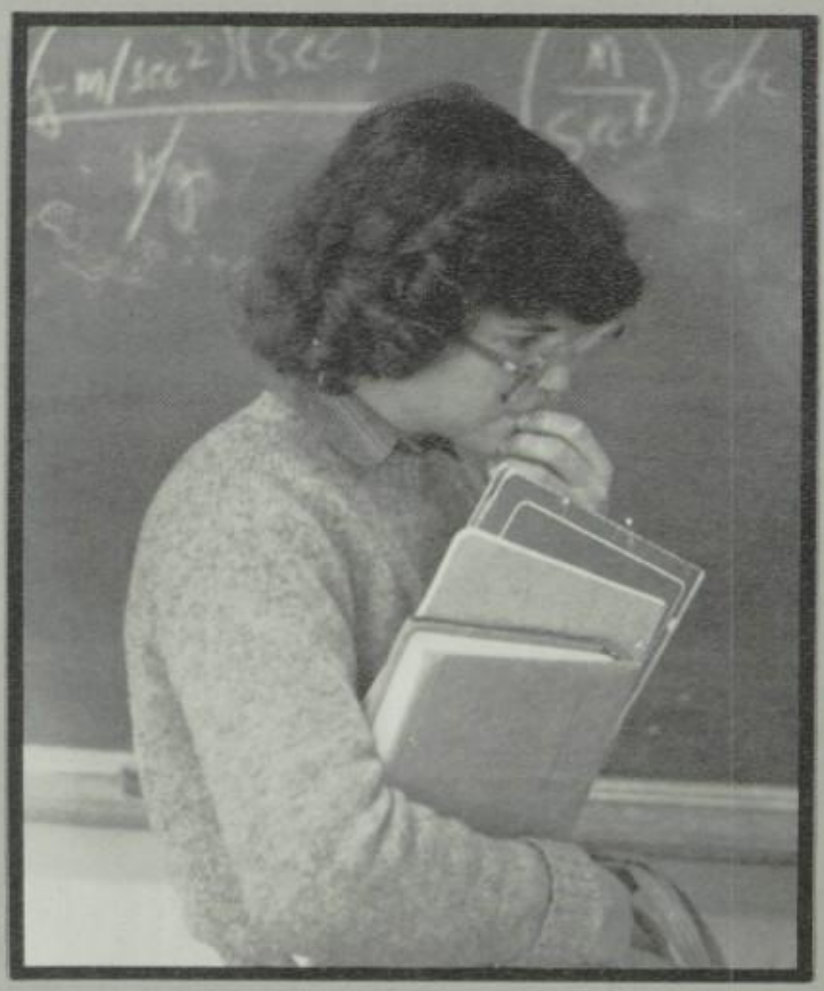
Tonight's the night we'll make history;

honey, you and I; 'cause I'll take



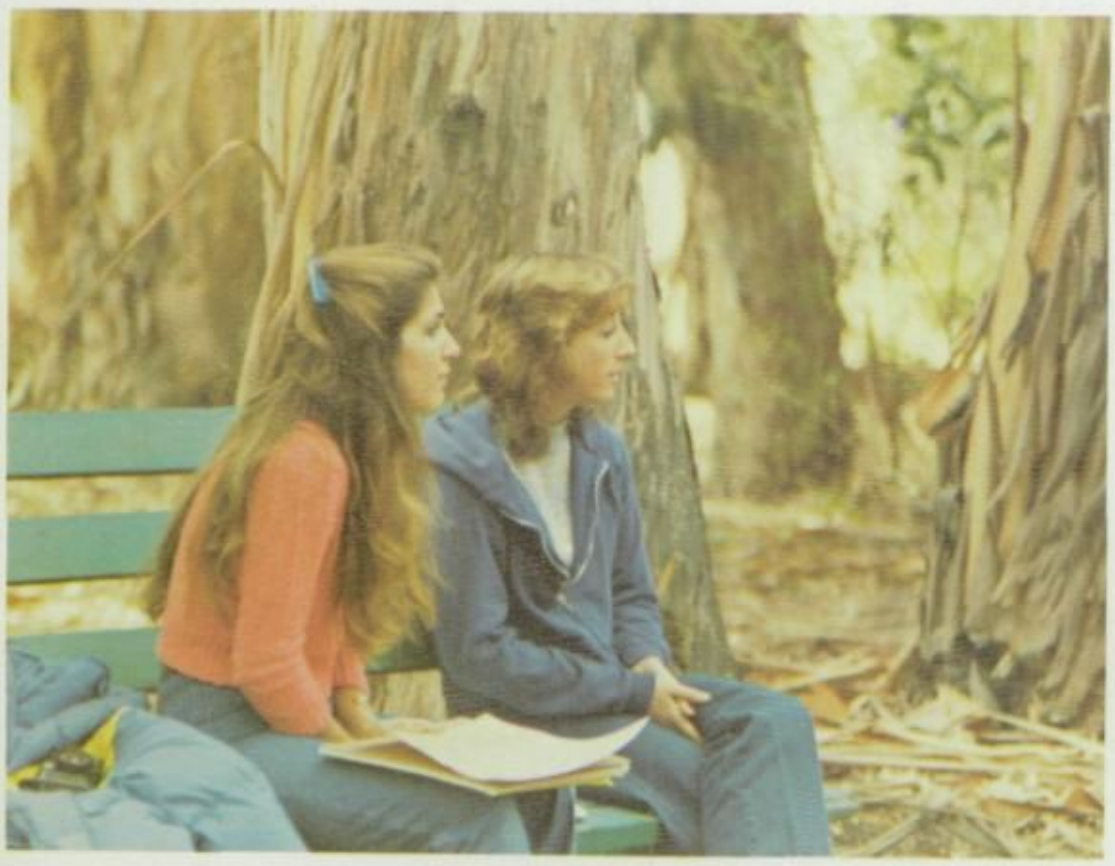


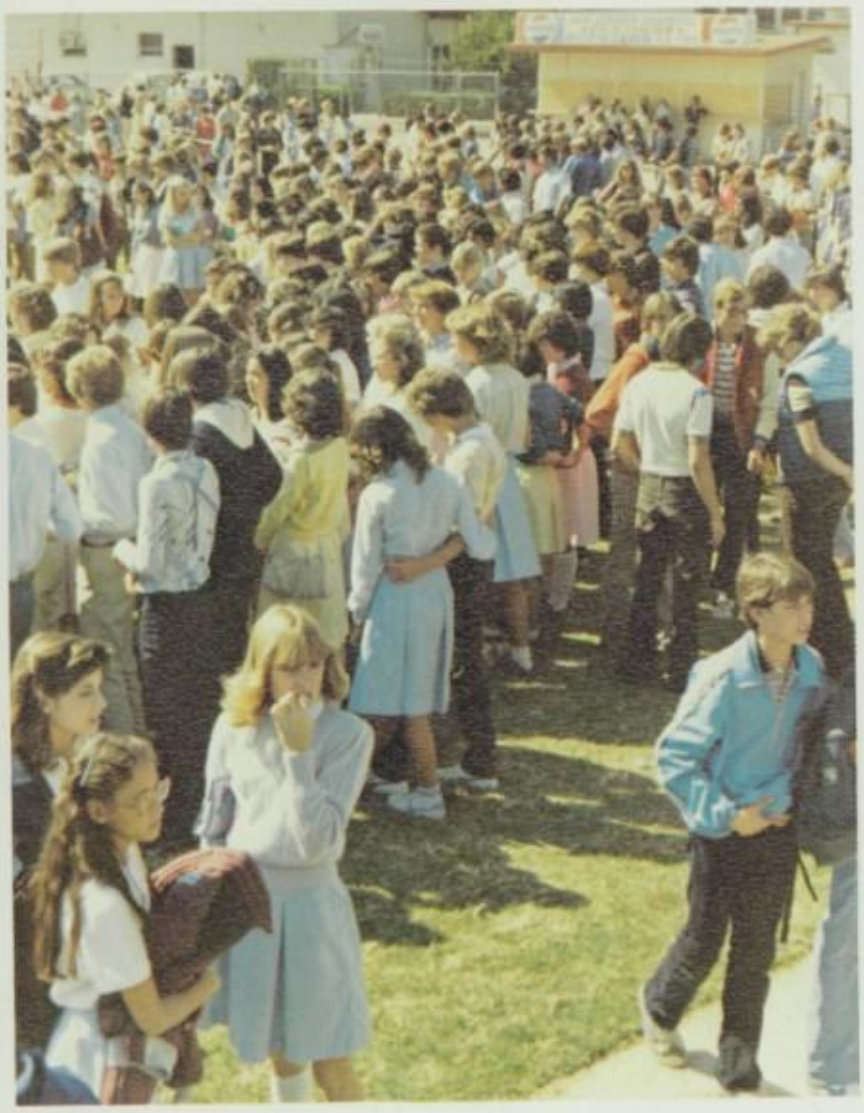
any risk to tie back the hands of time,

and stay with you here tonight.

The best of times

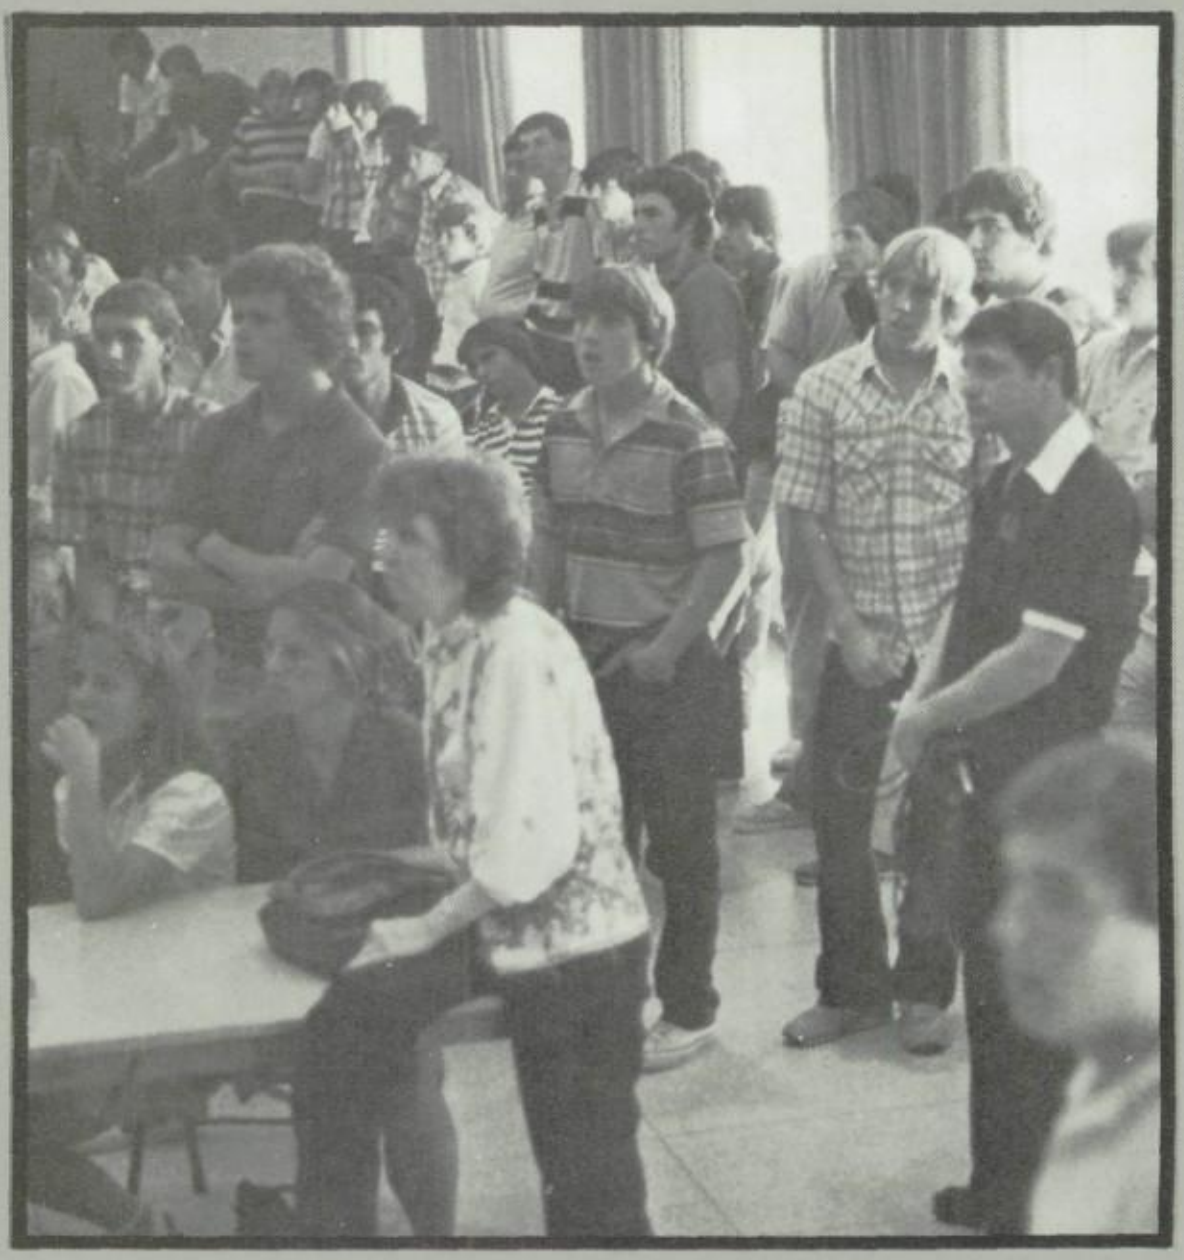
are when I'm alone with you;



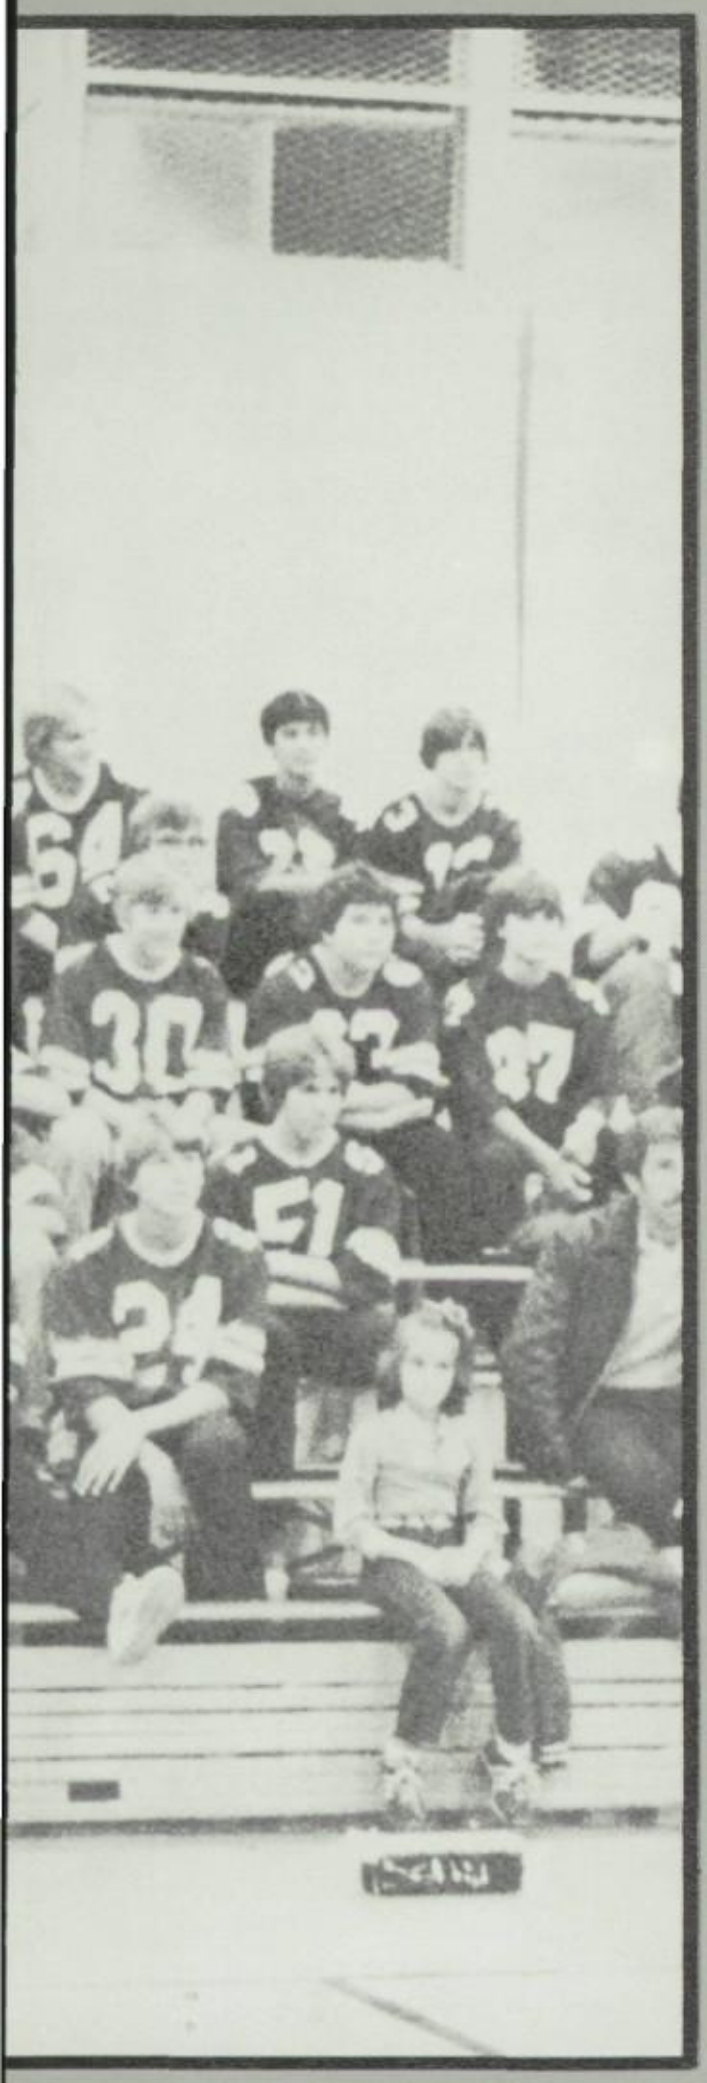


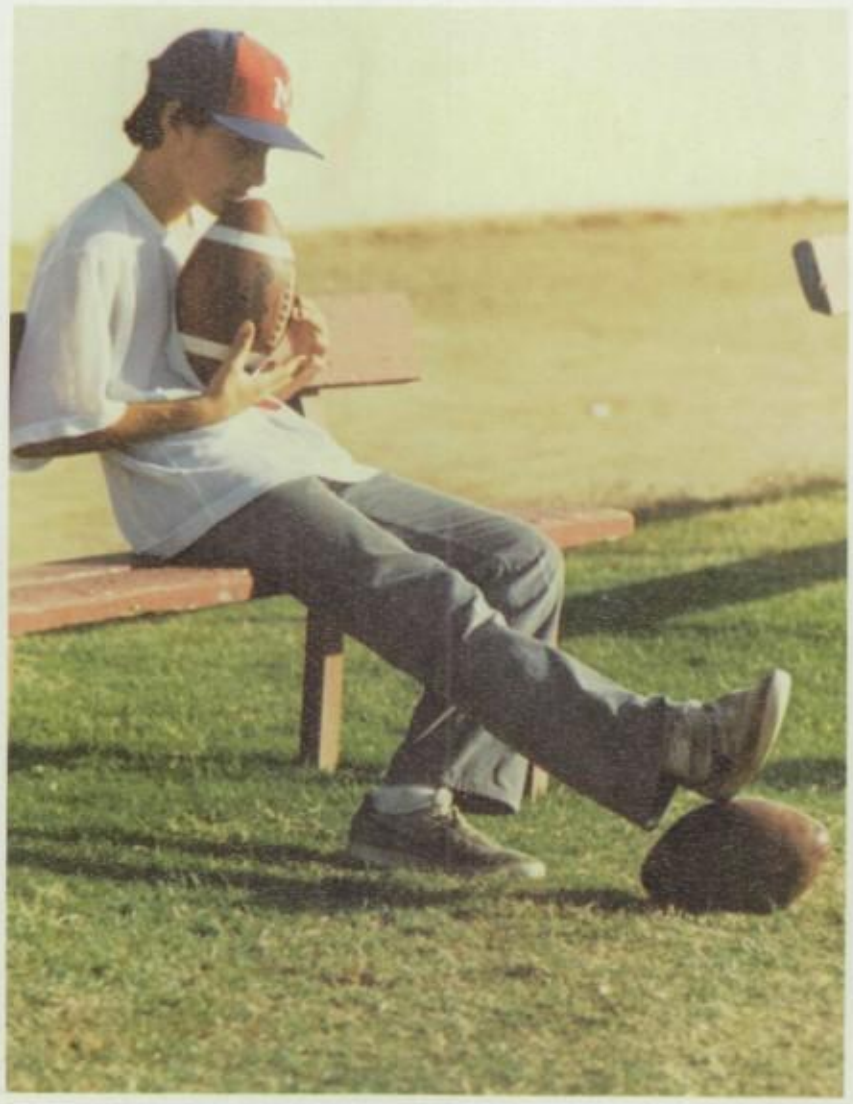
some rain, some shine;
we'll make this a
world for two.

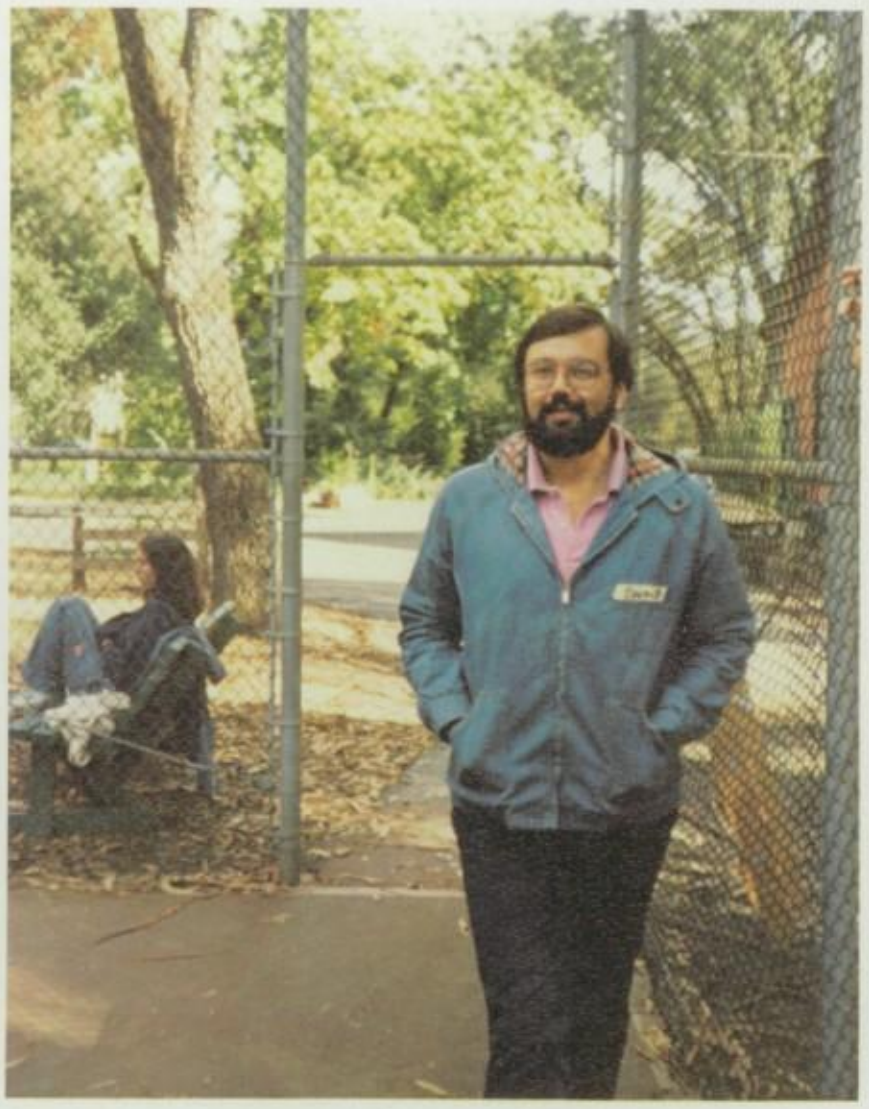
Our memories of yesterday will last a lifetime.



we'll take the best, forget the rest,







and someday we'll find ...

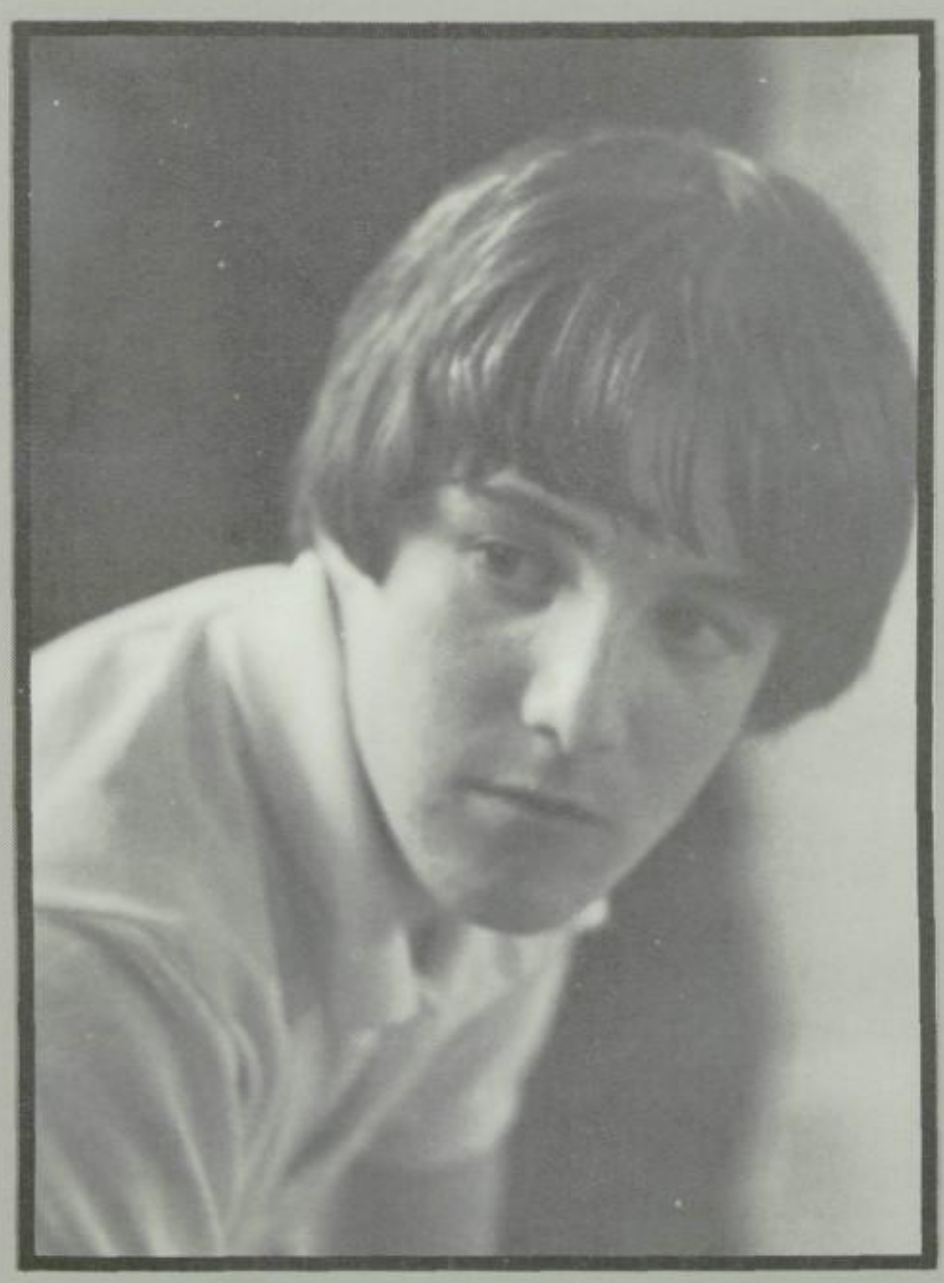
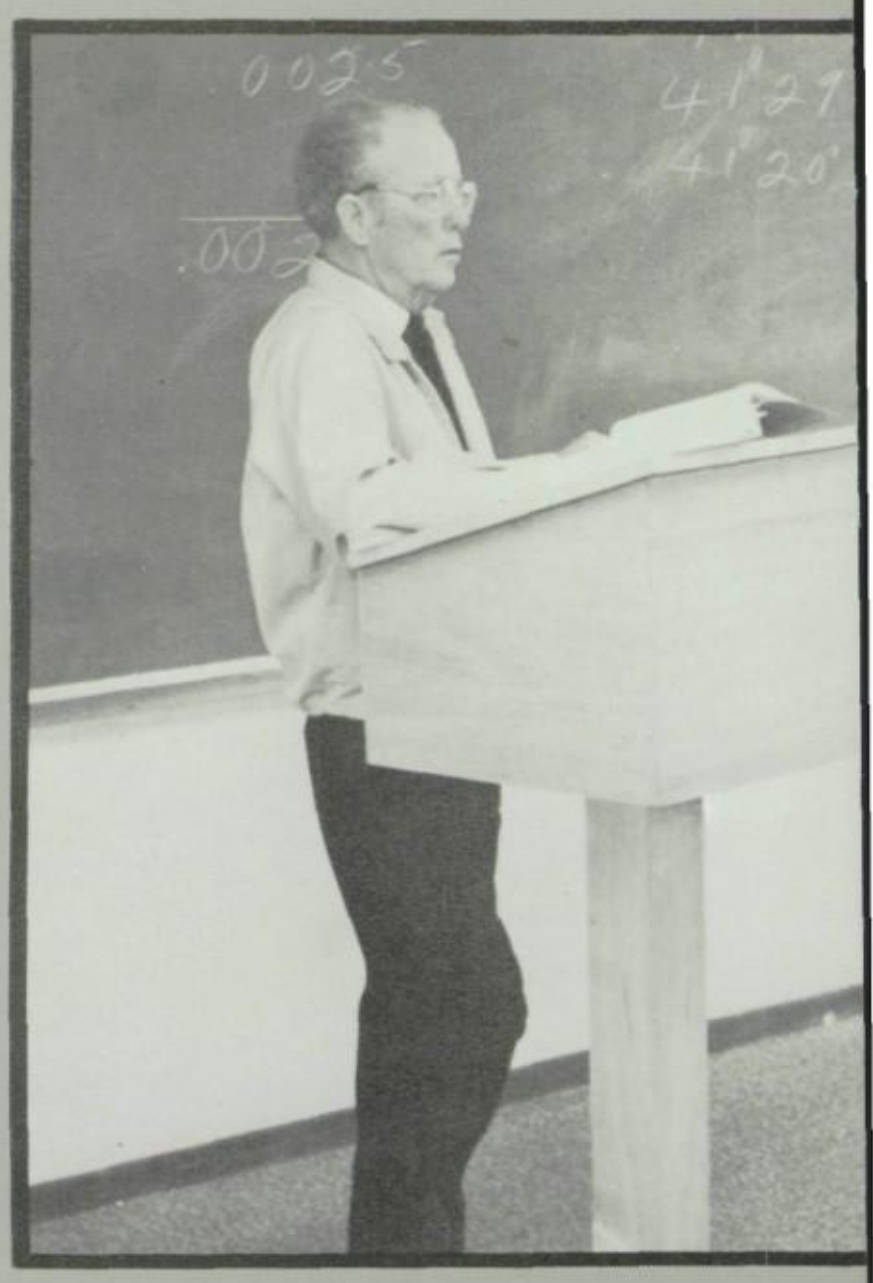
these are the best of times.





Someone once said, "High School days are the **best** *years of your life." Through friends, classes, games, clubs, and activities, this perfection is strived for at San Joaquin Memorial. Not only in these, is the perfection achieved, but also by teaching of faith it is both personal and communal.*

We, the Spirit staff of 1982, hope this book fulfills the perfection that is fostered at SJM, and to someday look back and discover that these were ***THE BEST OF TIMES.***

We, the Spirit Staff of 1982, dedicate this yearbook to the Sisters of the Holy Cross. Who, since 1945, have been fulfilling their goal of carrying out the Gospel message, opening the minds of students and molding values of Christian attitudes.

Homecoming '81

S.J.M. Stadium was packed as students, alumni, and parents gathered to celebrate their annual Homecoming on October 16. Miss Livia Prandini was crowned 1981 Homecoming Queen during the halftime festivities.

Hats, ribbons, and ties were common sights during the spirit week as students participated in the activities.

The Queen and her court were honored at the Homecoming dance with music by the band ONYX.

A Senior's Week

Monday

A Senior's Week *depicts the life of an average senior at San Joaquin Memorial.*

The beginning of the week, Monday, hits pretty hard and pretty slow. Most are recuperating from the weekend and are trying to keep their eyes open during "A" period.

Tuesday

Tuesday is usually the test day for most because teachers figure that you really didn't study for that test over the weekend.

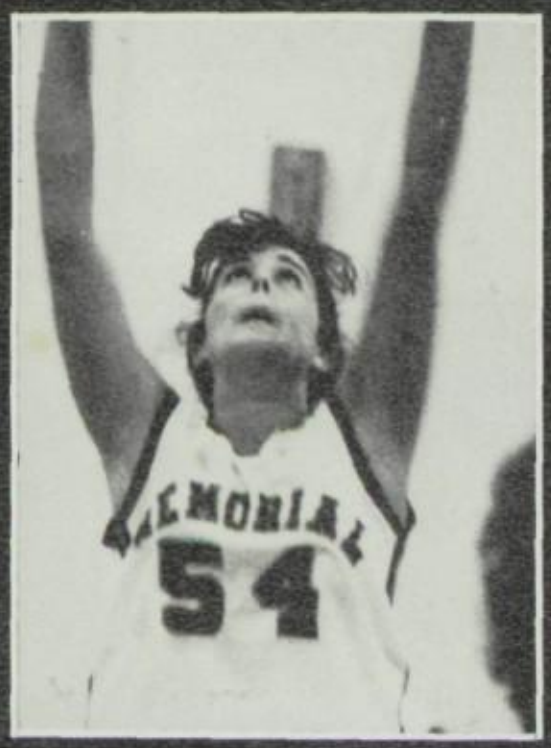
Wednesday

Wednesday is the half-way mark of the week. It is also Senior off campus, when seniors dash into their cars to favorite places such as Carl's Jr, Wendy's, Taco Bell, and other fast food places. It has to be fast because, seniors have exactly 37 mins. to get to "B" period and then with a general feeling of indigestion.

Varsity sports played on Wednesday is Soccer and Student Council is also tonight.

A School Week

Thursday



Thursday is anticipation for the coming weekend. On this day and each day of the week you can see seniors on the Senior lawn eating and talking.

Varsity sports on this day are Volleyball and Softball.

Friday

T.G.I.F. *- the last day of the week. As the afternoon annoucements finish, seniors exclaim joy for the weekend. No school or teachers 'til Monday.*

Friday is one of the most active sports day of the year. Sports seen are Football, Basketball, and Baseball. Also spring sports are played today.

Weekend

The weekend is the most remembered part of high school; from Saturday morning til Sunday night. And all the time in between is what makes it memorable.

The weekend consists of sleeping in late, part and full time jobs, dances, movies, parties on Saturday. And on Sunday, we catch up on homework, do chores around the house, and go to church at local parishes.

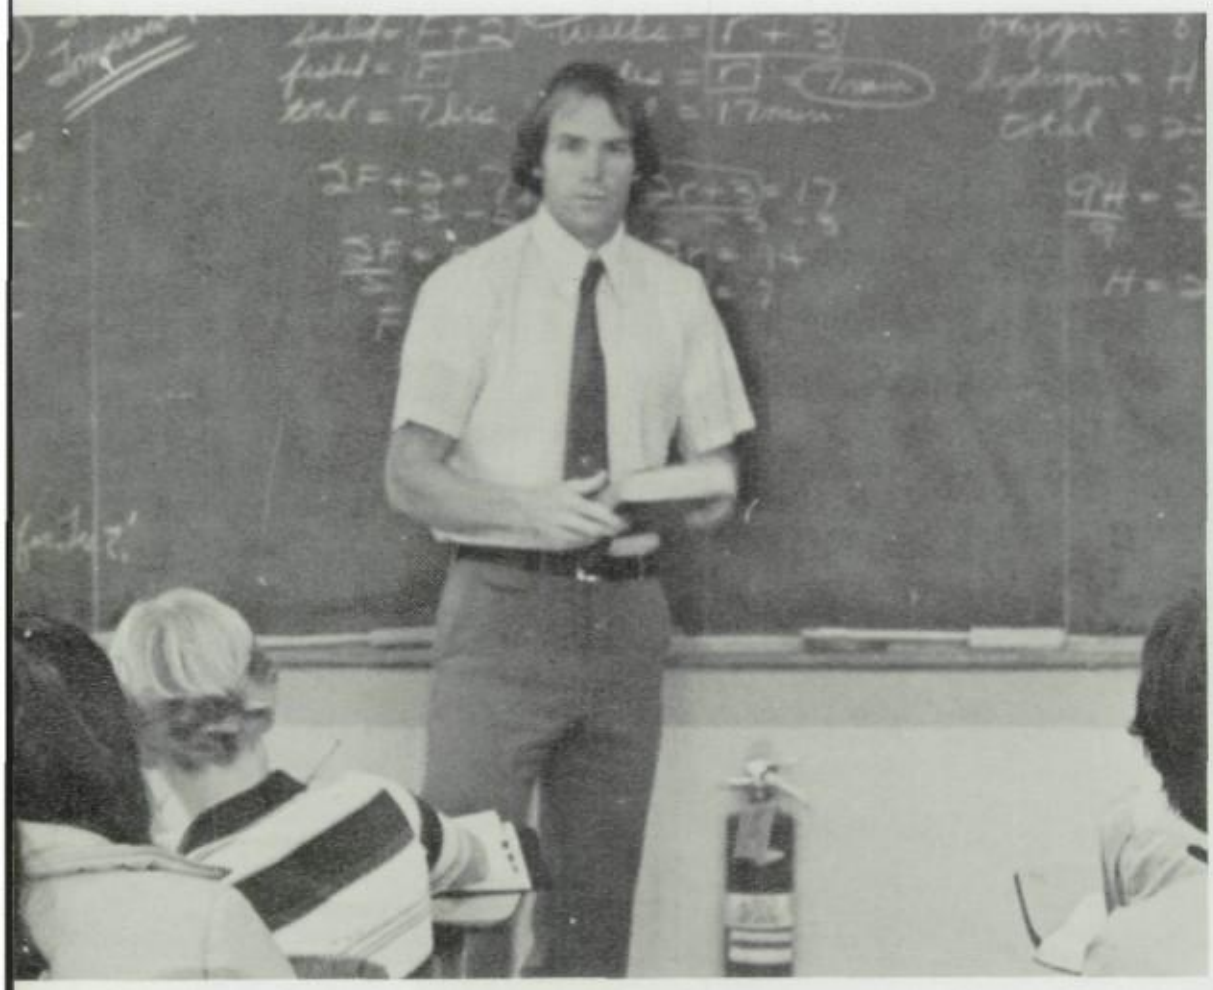
Students kept busy in the readin' and writin' department this year. Freshman and sophomores received an introduction to literature and studied grammar and vocabulary. Juniors worked in American Literature studying the important contributions of native authors to international poetry, drama, and prose. Seniors had the opportunity to select from a group of courses ranging from Creative Writing to studies in Greek Drama and Shakespeare.

Journalism II was added to the curriculum for students interested in continuing their journalistic experience. Forensics was added for students interested in expanding their speaking skills. Fiction Writing was available for potential authors. Preparing students for college was Honors 12, and advanced class of composition study and practice.

Mathematics



Mathematics is one of the three fundamental subjects in a students basic education. At SJM the importance of this subject is stressed in the hopes of furthering education and developing the use of logical and concise thinking.

A variety of courses are offered with a staff headed by department chairperson, Miss Harry who teaches Honors Algebra I and Calculus. Other classes that are offered are Geometry, taught by Mr. Moore, Mr. Esquivel, Mr. Hansen and Mr. Warmerdam, who both teach Algebra I also. Mr. Dodd instructs Honors Geometry and Algebra II. Math Analysis and Honors Algebra II are taught by Sister Jean Francis and Brother Daniel teaches Trigonometry.

The classes left those who participated with knowledge that they can use in the future to help them in their adult lives.

Representing Memorial in the valley playoffs for the first time in seven years, the 1981 Panther Varsity Football team will be best remembered for breaking a string of frustrating coin tosses which in the previous two years had ended the football season short of the playoffs.

In their season opener, the Panthers defeated highly touted Clovis West 16-0, and in so earned themselves a spot in the weekly valley rankings. After holding off Reedley, 14-13, SJM traveled to Garces to suffer a 21-7 loss in "the 20th Holy Bowl." The following week SJM opened league play with an 18-0 romp over Central. But the next week after the Selma Bears handed the Panthers their second loss of the season, 22-14. Rebounding from the loss, the Panthers

went on for the next two weeks by destroying Washington Union and Sierra.

At this point, SJM found itself in a four way tie for first place with Selma, Kingsburg, and Dinuba. Kingsburg narrowly beat the Panthers 7-6 and it appeared the Panthers would be squeezed out of the playoffs. But Selma surprised everybody by their loss to Washington. The game with Dinuba would decide the future of the Panthers. The Panthers struggled but pulled out a slim victory over Dinuba on a last minute field goal by Paul Kerkorian.

The Panters, eyeing a Valley Championship, traveled to Coalinga for their playoff opener. There they were defeated 21-13 by the Horned Toads ending the 1981 Panther season.

The J.V.s enjoyed one of their finest seasons in many years. A nonleague defeat at the hands of Clovis West, and a loss against Co-Champion Washington Union (7-2) were the Cubs only setbacks in a tremendous season. First year coach Ken Slaughter directed the Panthers to a 7-2 record and a half of the CSL crown. The Cubs were led by Mike Kerkorian, Doug Kiggins and defensively by Bobby Gray, but the running of Mike Guzman was the most impresive of all the young players.

A New Beginning

This is the first year that Memorial has had a freshmen volleyball team since 1978. Playing in only eight games, the girls didn't get much of a chance to display their learned skills. Keep on Running

This year the SJM Cross Country girls team won league with the outstanding running of Sally Orme, Denise Michels, Lisa Kauls, Joelle Orme, Chris Murry, Sue Ling Cho and Cheryl Bonner.

There weren't enough young men to run as a team so individual effort was stressed. Therefore runners who ran won medals at the various meets they attended. Members of the Varsity boys team were Brad Kendall, Pat Delaney and Mark Foraker; Junior Varsity team members were Dave Makley, Eric Valdez and Greg Rodriguez.

During the holidays, they took first place in the Holiday Invitational Tournament. They had a very successful preseason and for three weeks were ranked number one in the valley. Starting league with three wins in a row, the Panthers looked strong. Then due to injuries they lost three very close games in a row.

Freshman Welcome Week.

Freshman welcome week was a very successful activity for the school this last year. The entire school participated in what is usually just a Senior-Freshman activity. The week is one that the Seniors use to "Welcome" or make at home the new class of '85.

A couple of new traditions were that all Freshman were to buy a Freshman T-Shirt and the Senior girls took their little brothers and sisters to breakfast and the Freshman Welcome Dance.

A tradition that has not lost vitality is the Junior Class Ring Ceremony. On October 29, the class of 1983 received their class rings. Fr. Drieling was the celebrant and the rings were distributed by Br. Philip and Sister Scholastica. Under the theme of friendship, the Juniors strengthened their unity and had a very special evening.

Imagine a place where there is no humanity
just a piece of unity.
In this place, love and friendship prevail.
A place where you can never fail.
A place where two can become as one
and find their place in the sun.
Where friendship intertwines us all
and catches us before we fall.
This place can never be beat
'cause it's St. Helena's House of Retreat.

SAN JOAQUIN MEMORIAL CAFETORIUM

One of the biggest fund - raisers SJM has is the Auction of the Year. Mrs. Doty DeMera was chairperson for this years' San Joaquin Memorial Western Round-Up Auction. Profits exceeded $100,000 and will be used to pay off the school's deficits. Such items as a football autographed by the San Francisco 49er's, two basketballs autographed by the Fresno State Team, a tour of the Capital by Congressman Tony Coehlo, video recorders, fur coats, and many more, were auctioned off.

The Silent Auction took place February 18 while the Live Auction was held February 20. Western theme greeted you the moment you arrived and walked under a giant cowboy into the cafetorium, to the wonderful decorations awaiting you inside. Mrs. DeMera especially wanted to thank the volunteer students who served at the dinner preceding the Live Auction for doing such a great job. The whole Auction was a smashing success!

The Best of Involvement

G.A.A.

This year Girls Athletic Association was headed by Mimi Trouy and Beth Tilley, presidents; Cindy Crom, Vice President; Jane McGuire, secretary; Trish Vergo and Kalen Wright, Treasurers; and their Moderator Miss Cindy Winstead. Their goal this year was to get the girls more involved. They did this through: powderpuff, Pismo and the girl - boy outings, slumber party and to keep the finances up G.A.A. sold stuffed animals and jerseys.

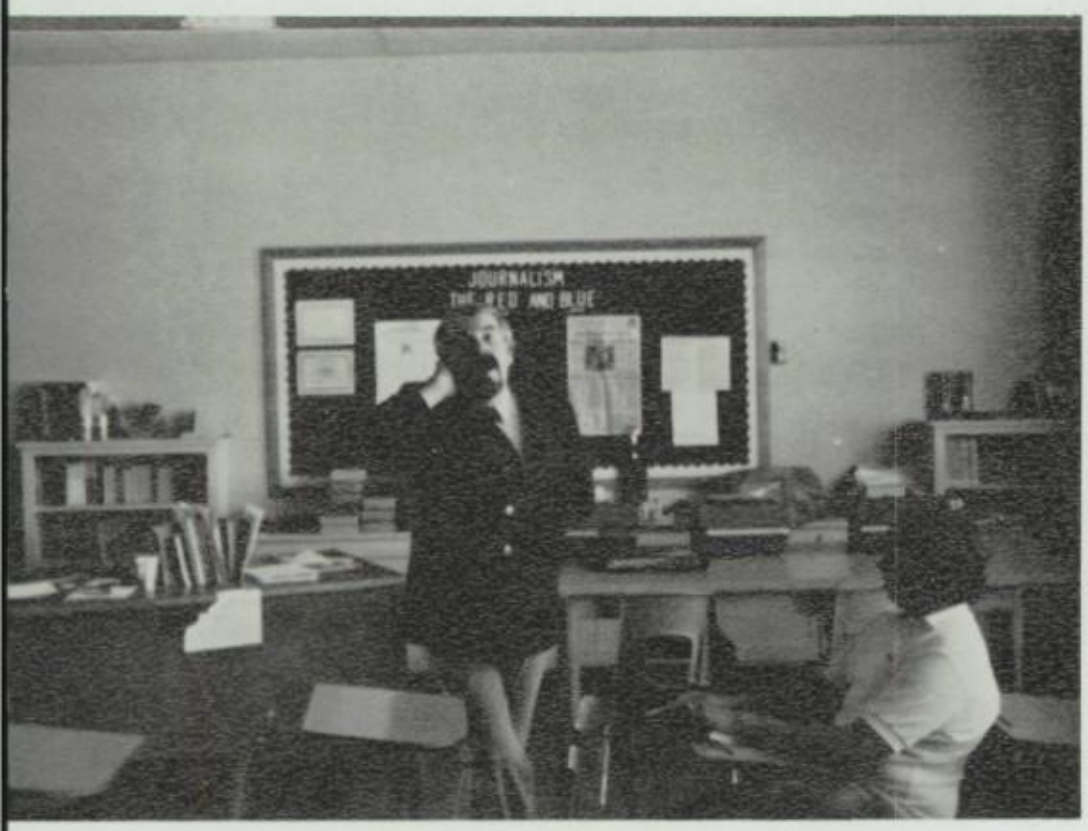
The Ag Club ran well this year. Mr. Harris, moderator, did a very good job by arranging a field trip to the fair to see the animals and setting up a year end trip to Magic Mt. The club sponsored many trips in order for the members to learn to handle the care of their animals, also. The officers were: Pres., Randy Silva; V.P., Ellen Grove; Sec., Mary Van Hoogmoed; Treas., Cindy Eshelman; and Sargeant of Arms, Robert Torres.



C.S.F.

Under the supervision of first year moderator, Sr. Noel Marie, the 1981-1982 C.S.F. members were striving to increase involement within the organization. It was hoped that instead of being just a group of honor students they would become a more active student group. Numerous bake sales, a car wash, a toy drive, and an outting for members to Roger Rocka's Good Company Music Hall in the spring, were just a few of the activities which were planned to boost participation. Heading these plans were club officers: Patty Danks, President; Andrea Comporato, Vice-President; Ann Kennedy, Secretary; Mary Fitzsimmons, Treasurer; and Chris Anderson, Sergeant-at-Arms.

Communication Above All

STUDENT

This year the Student Council sponsored: the Band Jam, Xmas Formal, Pappa Doo Run Run, and Founder's Day. Under the guidence of Miss Anne Hebert, the student body officers tried to keep the students involved in school activities. Their main goal this year was to create better communication between the students and the administration and to provide entertainment.

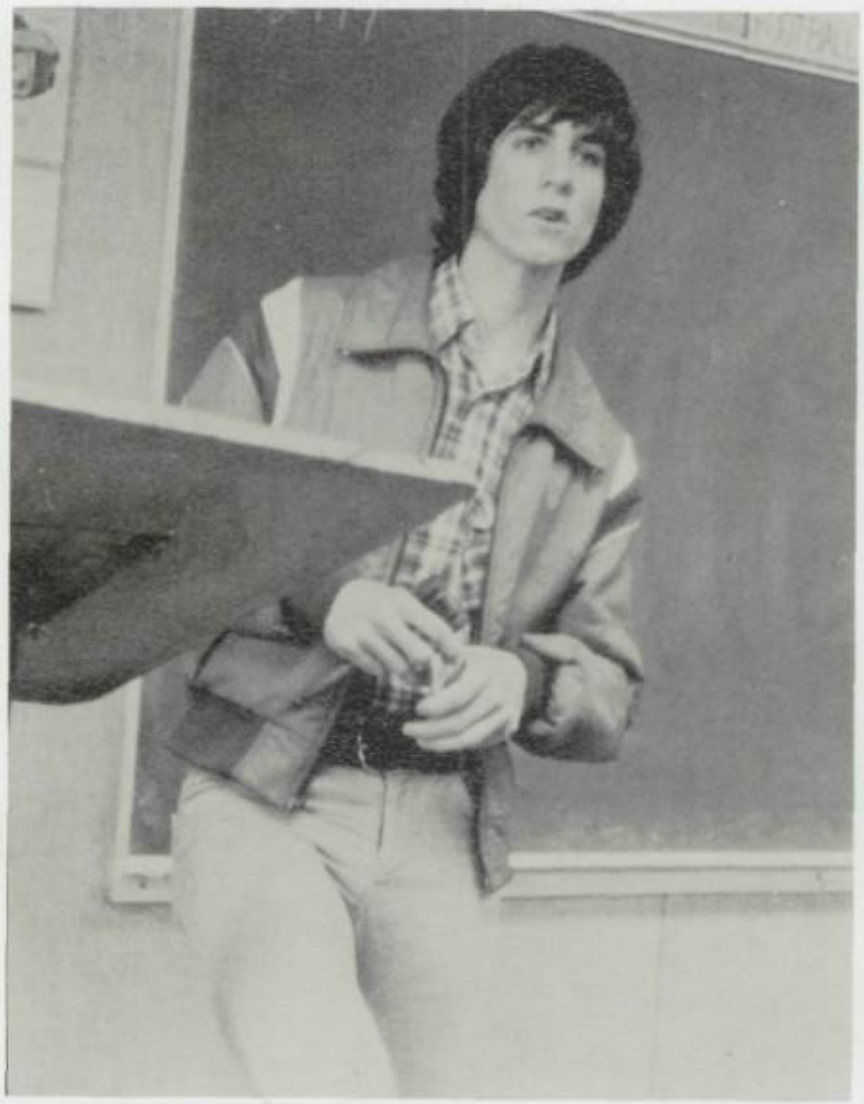
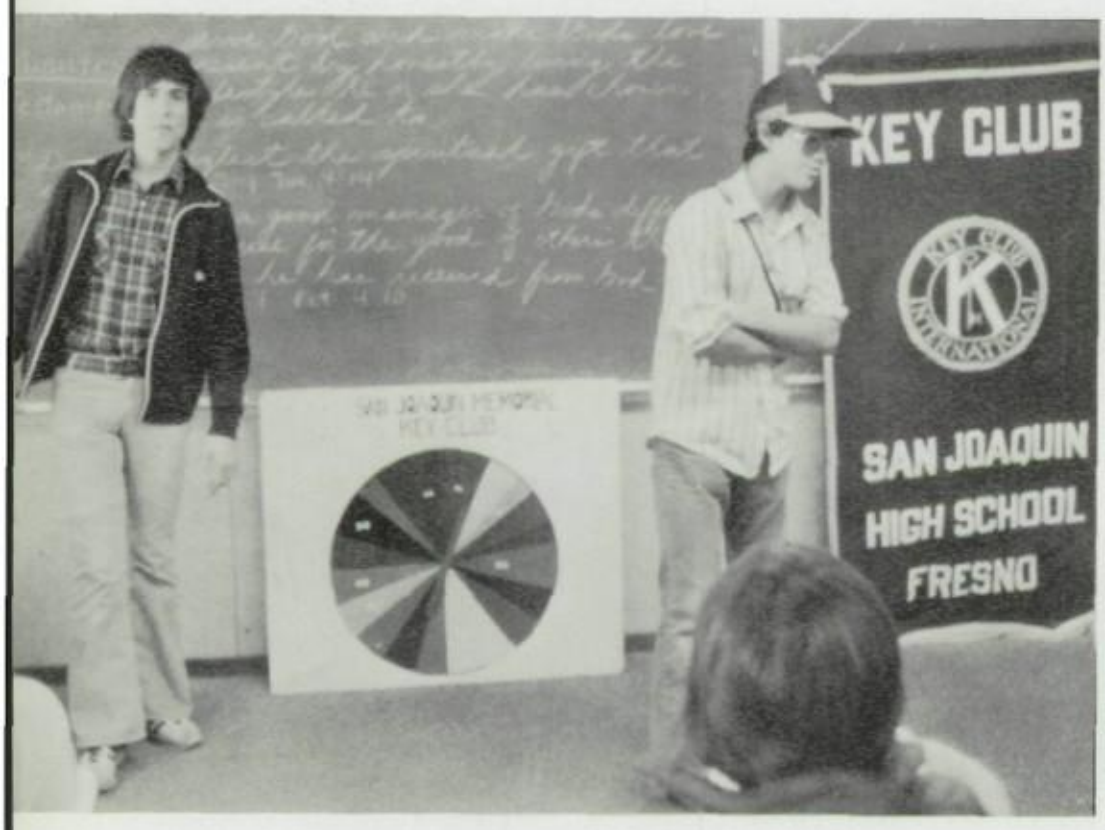
Key Club





This year the Kwianis Club is moderated by Mr. Rios. The Key Club is a part of the East Fresno Kwianis Club. It is a service oriented club whose goal is to help the school and the community. This year the Key Club has taken a class in C.P.R. and will give a workshop to be certified in C.P.R. They were helpful in giving their services at the U.C.P. telethon and they planned the Valentine dance. Their membership has increased dramatically since the last year through the efforts of President Pat Mazzei.

Laura Zaver qualified for Varsity team in the girls extempt while James Taylor won two trophies and qualified for the Lincoln Douglas debate. The other members of the forensics team are Marty Oller, Sandra Reeves, and Debbie Chae. The moderator of the club, Mr. Harris, said he was looking forward to an even more successful Forensics Club next year.

Fresno observance set

Killing of nuns remembered

The first anniversary of the killing of three American nuns and a missionary in El Salvador will be observed Wednesday in Fresno as part of a series of events scheduled throughout the day.

A Mass of the Martyrs will be celebrated at 7:45 a.m. at the main entrance of San Joaquin Memorial High School, where students will stand as honor guards over a ceremonial burial site.

The mock graves will be in memory of Maryknoll sisters Ita Ford and Maura Clarke, Ursuline Sister Dorothy Kazel and Jean Marie Donovan, a young missionary. The bullet-riddled bodies of the four were found in a grave in rural El Salvador Dec. 4. The women had been missing for two days.

The ceremony at the school will include a brief modern ballet and a short prayer, and will end at 2:15 p.m.

Between 4:30 and 5:30 p.m., a silent prayer vigil, sponsored by ecumenical church groups, will be held in front of the Federal Building, 1130 O St.

Prayer, hymns, readings, symbolic funeral procession ... film entitled "El Salvador: Revolution or Death" will end day's events at Our Lady of ... Church, Princeton and ... avenues.

The film features Archbi... Oscar Romero, who was assassi... while celebrating a Mass in ... Salvador.

The Sisters of St. Joseph ... Carondelet, a religious ... committed to works of ... justice, will sponsor the event ... the church.

Stewart, you've been such a good friend since 7th grade. Even when I was such a ——— I think you remember. But please forget that. O.K.? I really appreciate your friendship. I know I can always count on you. I hope we can get together during the summer. Between your trips to Nevada & what do you do there anyway? It must be better than FRESNO!

Drama Club

The Drama Club suffered from a lack of participation this year. The Club had an enrollment of 70 members, but unfortunately only a small percentage were active. The fall production, "Charlie's Aunt", had to be cancelled due to lack of participation. Instead, "The Ugly Duckling" was put on for the elementary schools. The Cabaret Dinner, held in January, was a tremendous success. The theme was "Nights On Broadway" and featured hits from Guys and Dolls, Annie, West Side Story and Evita. Soloists included Duane Boutte, Gina Greenwood, Elizabeth Breen, Jennifer Ferral and Iliana John. Drama Club officers were: Tony Colbert, President; Iliana John, Vice President; and Julie Mott, Treasurer.

Chorus

The SJM chorous, under the direction of Mr. James O'Connor, has been active in many school and civic funtions this year. The Christmas program, Christmas '81, was a great success. Our spring concert, A Fling into Spring, proved to be equally successful. All in all, 1981-82 turned out to be a good year for the group.

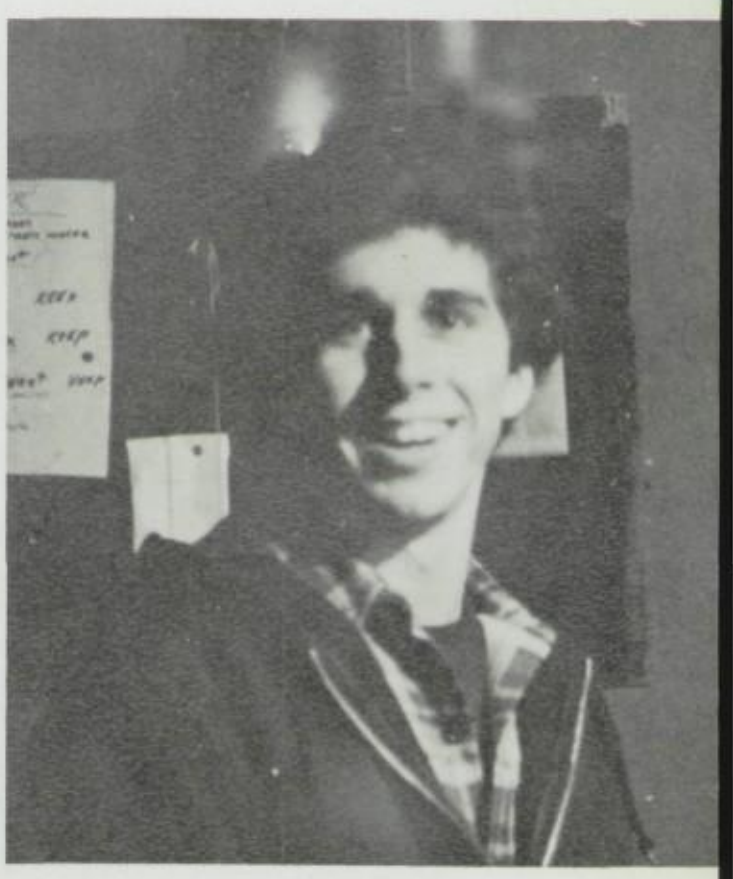
OLYMPUS



With the help of moderator, Miss Gutierrez, the Spirit of '82 was a great success. It took a lot of hard work but it was worth it. Putting the yearbook together was not as easy as it seemed to be. Everytime the class turned around, there was another deadline to be met.

Time was spent selling ads, promoting the Yearbook, and even working on the yearbook outside of class. Working on the yearbook staff was hard work, but was worth the effort to put together the memories of '82.

Jesus still calls disciples to himself.

Where do priestly disciples come from? They are you. The priests of the future will come from your home, your family, your class. Perhaps the Lord is calling you to special service in his Church. Whatever his call for you, serve the Church -- the People of God -- with faithfulness.

We worked and slaved to get it done
We even managed to have some fun
We hope the memories last forever
'cause with all the work they had better
Now its time to say goodbye
'cause graduation brings a natural high
We leave you all with some regret
But let us tell you we're not upset
Soon we will depart, this is true
'cause we're glad to be part of the

The year, 1981-2, was characterized by death and tragedy. As the "Best of Times" says, "The headlines read these are the worst of times; I do believe it's true . . . When people lock their doors and hide inside rumor has it, it's the end of paradise . . .

In the world, communist aggression ran rapid. Poland had its labor problems, the US's arm race with Russia, the kidnapping and rescue of Gen. Dozier, the war in El Salvador and Kaddafi in Lybia.

The United States saw Ronald Reagan and his budget cuts, Sandra Day O'Connor as the first woman in the Supreme Court, the Air Florida Flight 90 crash into the Potomic River just after take off, a cold deathly winter over the mid-west and east, the air traffic were on strike, the AWACS sale to Saudi Arabia, and Wayne Williams was convicted of two of the twenty-eight Atlanta Child Killings.

In the state of California, we had the Medfly, the protest of the opening of the Diablo Canyon Nuclear Plant, heavy rains in Marin County and surrounding areas, and the survival of Donny Priest after his plane crashed in the mountains.

Locally, Dan Whitehurst announced his candidancy for Senator, the illegalizing of raffle tickets, the construction of Highway 41, the new Bulldog Stadium and the first California Bowl, and Fresno State's Basketball broke the top 20.

Around school, Brother Philip went to Europe, James Taylor won top honors in Debate, children were born to Mr. De Foe, Mr. Mc Clurg, and Mr. Warmerdam, Miss Hebert had her tonsils out, the construction of the new parking lot began, Sister Jean Francis and Sister Anna Teresa celebrated their fiftith anniversary in the sisterhood, the Girl's Varsity Basketball lost their first league game to Sierra in nine years, and Mark Ryan, John Schutt, Peter Abaci, Richard Rios, and Dusty Smit were chosen to go to Spain by the Junior Soccer League.

In the world of sports, Baseball players were on strike, Nolan Ryan threw his fifth no hitter against the Dodgers, the Dodgers won the World Series, the San Francisco 49 er's won the Superbowl against Cincinnatti Bengals, and Steve and Phil Mahre won world recognition as professional skiers.

As we turn to the world of entertainment, music, and fads, the blockbusters of the year were: "Raiders of the Lost Ark", "Arthur", "Halloween II", "Reds", "On Golden Pond", "Sharkey's Machine", "Taps", "Friday the 13, II", and "Only When I Laugh".

The fall premire of the 1981 season of television was spread over three months. But that did not stop "Dallas", "Dynasty", "Too Close for Comfort", "Hill Street Blues", and "Magnum P.I." from becoming the most watched shows.

Soaps also prospered. ABC had the three shows, "All My Children", "One Life to Live", and "General Hospital", which was number one. On "General Hospital", Luke and Luara were married and the appearance of Elizabeth Taylor boosted the ratings even higher. Now on the subject of music, the top songs of the year were; "Destroyer", "Harden My Heart", "Endless Love", "I Love Rock and Roll", "Don't Stop Believe'n", "Our Lips are Sealed", "Working for the Weekend", "Physical", "Leather and Lace", and "Take Off to the Great White North".

Musical names that came to Fresno were: Triumph, Little River Band, Greg Khin Band, Peter Frampton, Eddie Rabbit, Devo, Beach Boys, Tubes, Ronnie Milsap, Johnny Cash, Waylon Jennings, Sammy Haggar, and Ossie Ozborne. But the biggest concert tour in the history of Rock and Roll was Rolling Stones Tour. Their stops included, Seattle, Philadelphia, Dallas, Los Angeles, and San Francisco. Also Simon and Garfunkel of 60's fame were reunited in New York for a special concert.

The fads included still the "preppy look", the "punk look", hacky saks, pacman and other video games, BMW's, and cable TV.

This year the world of entertainment and the world it self lost very dear people: Robert Montgomery, William Holden, Jack Albertson, Natalie Wood, Paul Lynde, and Lee Strasburg. Anwar Sadat was murdered and shortly after Moishe Dyan died.

The year, 1981-2, was the best and worst of times, but we can only hope that next year the years to come will be better and " . . . I know if the world turned upside down . . . you'd always be around."

Tonight's the night, we'll make history; honey, you and I 'cause I'll take any risk to tie back the hands of time, and with you here tonight.

I know you feel these are the worst of times; I do believe it's true. When people lock their doors and hide inside; rumor has it, it's the end of paradise; but I know if the world just passed us by, baby I know I wouldn't have to cry, no, no.

The best of times are when I'm alone with you; some rain, some shine; we'll make this a world for two. Our memories of yesterday will last a lifetime. We'll take the best, forget the rest, and someday we'll find these are the best of times.

The headlines read these are the worst of times; I do believe it's true. I feel so helpless, like a boat against the tide; I wish the summer winds could bring back paradise; but I know if the world turned upside down, baby, I know you'd always be around, my, my.

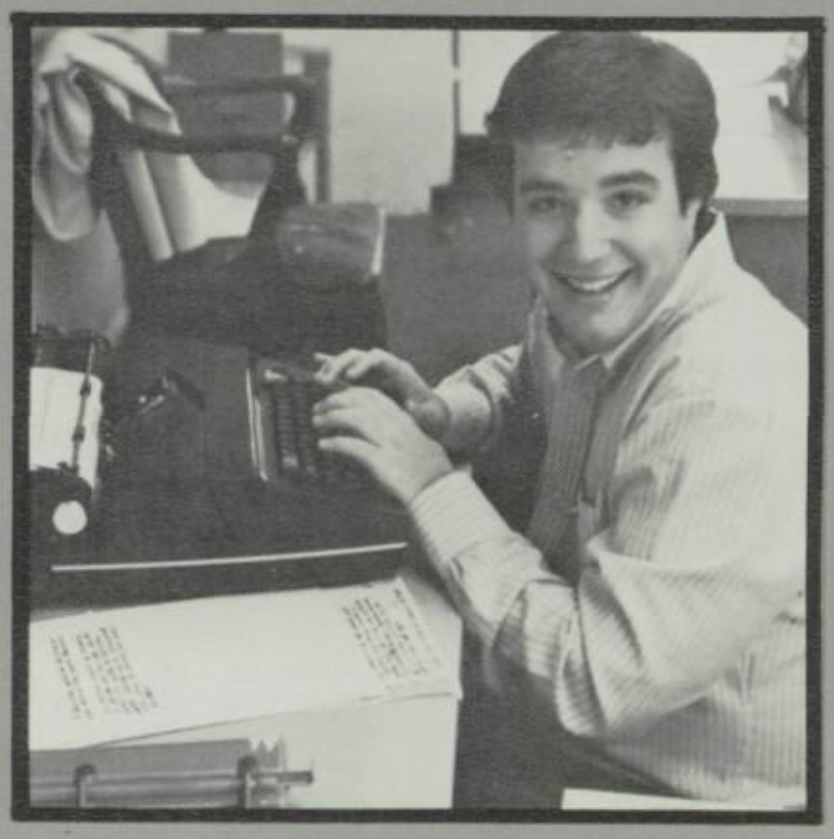
OUR



A book of pictures, words, and memories is what a yearbook is all about. But the most important of these are memories. These memories created do not just last a few years after high school, but for the rest of your life. As being a member and editor of the yearbook staff, I have tried to achieve this expectation. But it takes more than one person to produce a yearbook. It takes special and dedicated people and that is what the staff of '82 has been. To these people a warmfilled thanks go to:

The staff editors, for doing their best.
The students in the class, for drawing layouts, negative filing, and picture cropping.
The photographers, for taking some excellent pictures.
Lynn Emerzian, who carried the biggest weight of all in ads.
My co-editor, Brandy Flaherty, who did a fantastic job in producing the yearbook. We always knew when it was time to clean up by her helpful hints and thanks for just being around.
Miss Esther Gutierrez, for holding the Spirit of '82 together. It is not hard just to be the boss, but Miss G was much more than that she worked together with all of us and I thank her for allowing some of my crazy ideas to be created. I hope that the "sun set" is always behind you.
Many thanks goes out to others who made the spirit of '82 possible:
Mr. Ficarra, for our senior portraits, homecoming and class picture.
Mr. Henry Gutierrez, who was always there when we needed him. Thanks for everything.
The advertisers, who financed our book.
Miss Cindy Winstead, "our honored photographer."
And Mr. Tom Larsen, our Herff-Jones representative for giving us helping hints to make our book better and bringing us rulers.

Rodney J. De Luca Jr.

THANKS

It is unbelievable, that such a small thing as a yearbook can take so much time and effort. So many people were involved in putting together the Spirit of '82, that it would be impossible to mention everyone. Therefore, I would like to especially thank the following people.

Mr. Tom Larsen, for guiding the staff in the right direction.
Mr. Ficarra, for the beautiful senior, homecoming, and class pictures.
Mr. Henry Gutierrez, for helping make decisions, and also for developing photos and working with the photographers.
Miss Cindy Winstead, for taking pictures.
The class editors, for all their dedication to their sections.
The photographers, who did a terrific job taking, developing, and ganging photos.
The sports staff, for doing excellent work on their section.
The business editors, for their determination to finance the book.
The advertisers, for buying ads.
And special credit to all the members inside and outside of the publications class.
To my co-editor Rodney De Luca, I give very special thanks. Without you, the yearbook would not have been a success.
Still my deepest appreciation goes to Miss Gutierrez, our class moderator. The yearbook would not have been completed without her. She gave more dedication and time to the yearbook than anyone.
Thanks again to everyone who helped work on the yearbook and good luck to next year's staff.

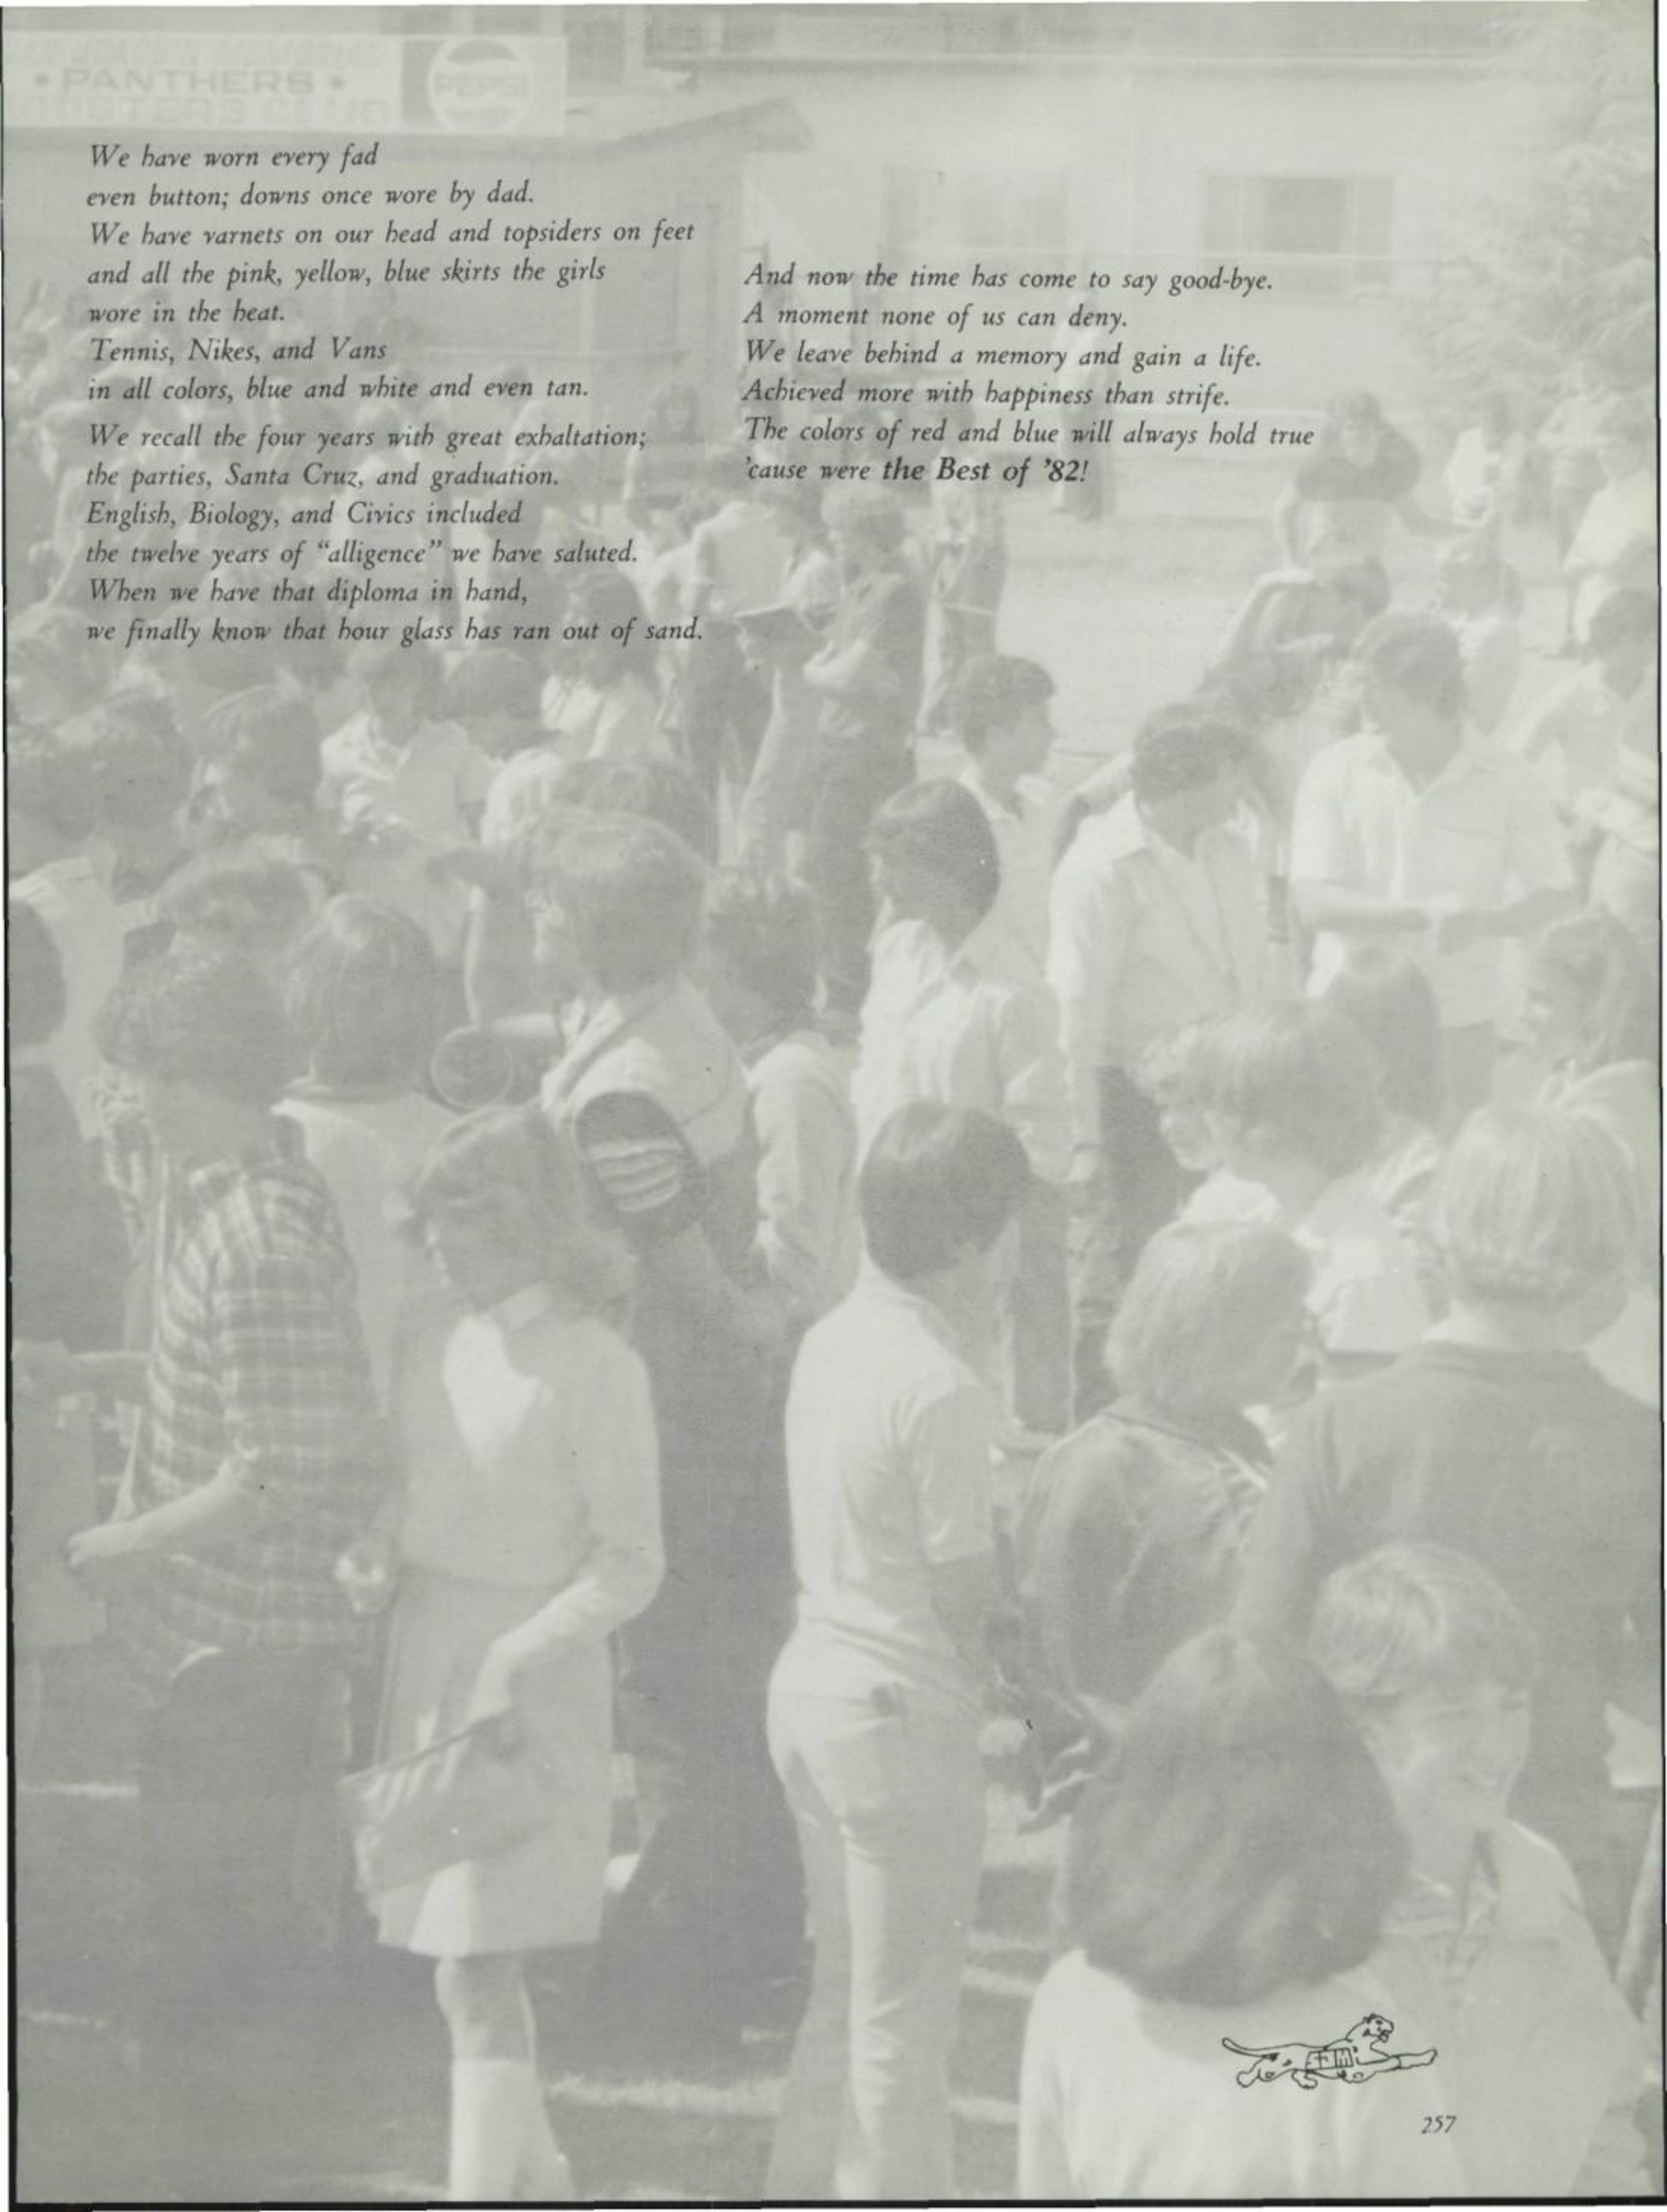
We came together four years ago.
So frightened, so scared, we didn't know where to go.
We laid our lives out on the line
and today we can say it came out fine.
We built strong memories to cherish forever.
Through one another, we have stayed together.

We have seen the good times and bad;
the experiences more happy than sad.
We have passed all the quizzes and tests
and now it's time to show our best.
Not just the general knowledge in part,
but the knowledge of love that's in our heart.

We leave behind friendship and friends;
a happiness that shall never end.
Hours of talking, crying, and listening,
just to see that smile of a friend glistening.
We can't remember all the fights
just the delights.

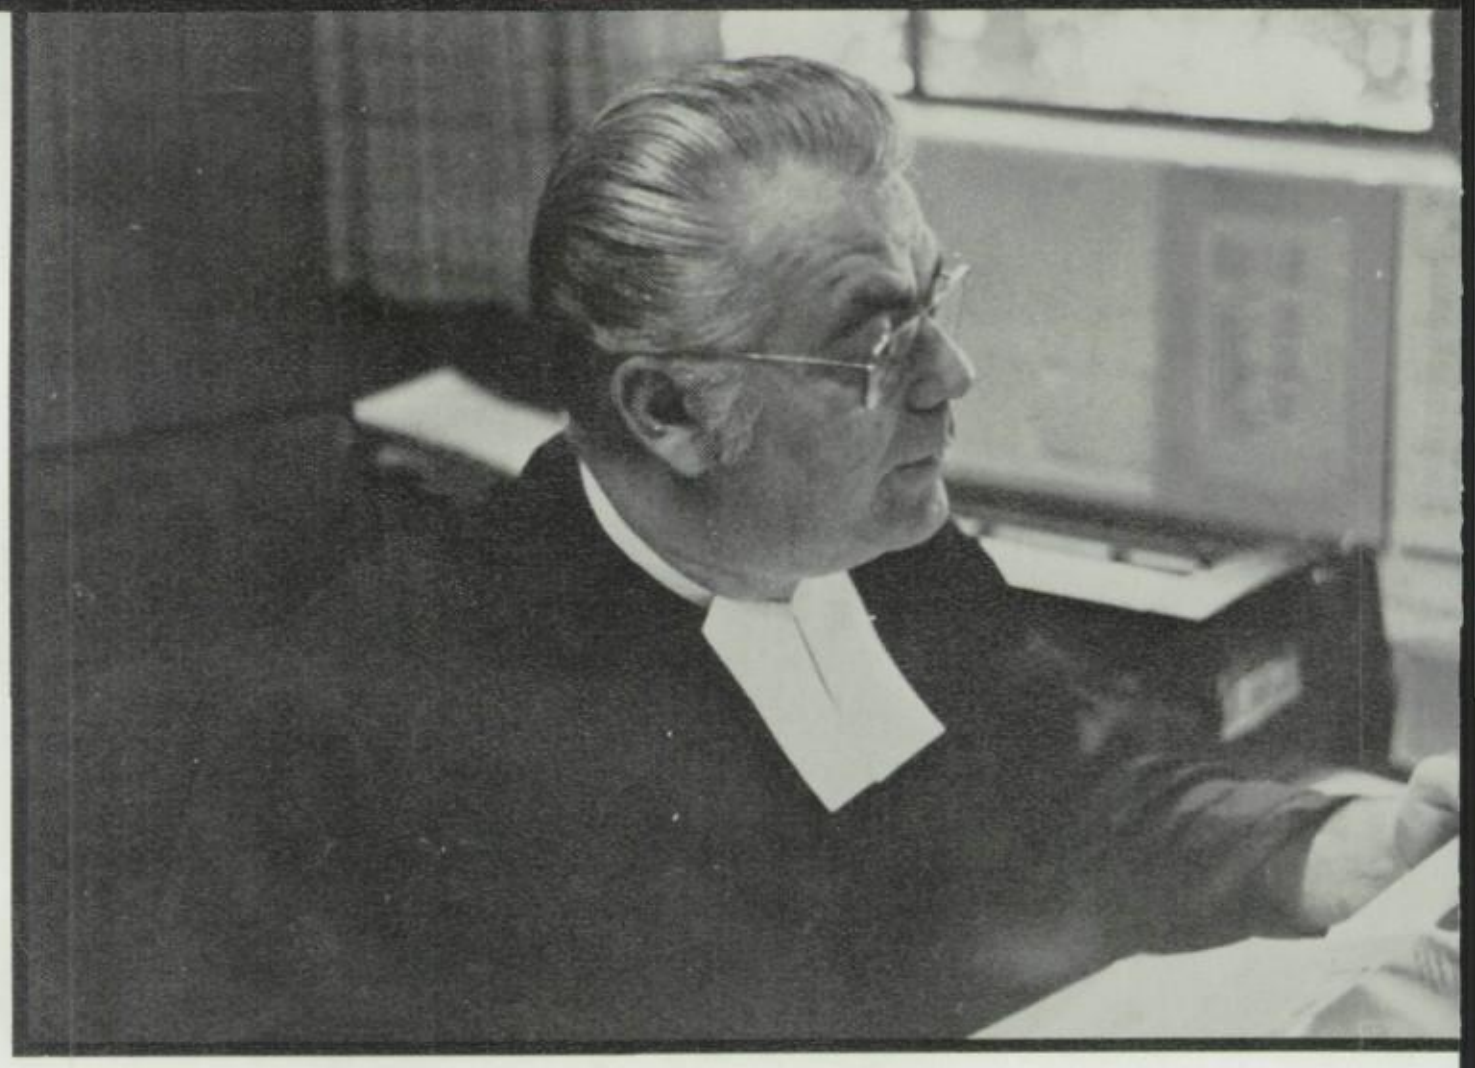
We have cheered at them all,
football, soccer, and basketball.
We have danced to our heart's content
to sock-hops and formals our little feet went.
We have been involved in every organization
and even fought off Wednesday's indigestion.



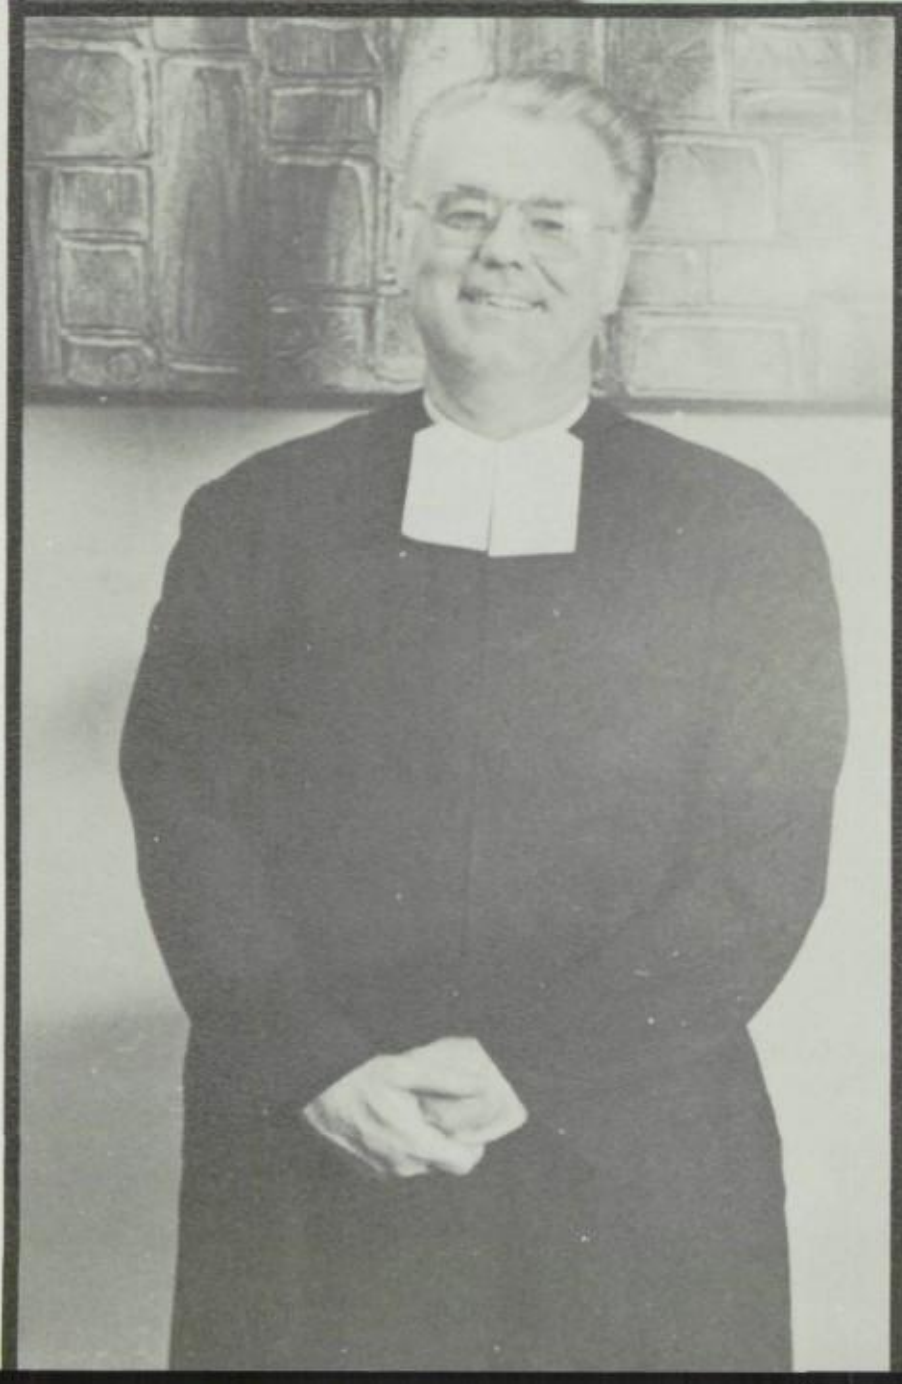
We have worn every fad
even button; downs once wore by dad.
We have varnets on our head and topsiders on feet
and all the pink, yellow, blue skirts the girls
wore in the heat.
Tennis, Nikes, and Vans
in all colors, blue and white and even tan.

We recall the four years with great exhaltation;
the parties, Santa Cruz, and graduation.
English, Biology, and Civics included
the twelve years of "alligence" we have saluted.
When we have that diploma in hand,
we finally know that hour glass has ran out of sand.

And now the time has come to say good-bye.
A moment none of us can deny.
We leave behind a memory and gain a life.
Achieved more with happiness than strife.
The colors of red and blue will always hold true
'cause were ***the Best of '82!***



Thank you



for all you have done.

Stewart:
Getting to know you this year has been quite an experience. P.E class has been different with certain people in our class + Rel. has been very intriguing. I wish I had the chance to spak with you and Br. Matt sometime but, we don't always have the opportunity to do the things we would like.

Throughout the year we have encountered numerous differences. I don't think of these differences as bad or wrong in anyway but rather good because they reveal our intelligence in being able to discuss things. Very often we seem to misinterpret the meaning of one anothers words. Don't be mislead by the manner in which I speak because frequently I have a quick tongue. Relize this manner of mine, I do this so that I can get things out before I forget them or because I'm very angry and need to get it out before I burst. Accept me for who I am. You told me many times that I'm this or that without giving me any help in curing this ailment that you see. Know that you can be wrong sometimes but, when you are correct please try to be constructive. If you can criticize me you should also be able to complement me.

I enjoy speaking to Stewart Pulpit but, sometimes he goes awol and some other guy, who isn't so pleasent to speak to, comes aboard. He can be extremely irritating. You may want to see if anyone else sees this in you or perhaps observe yourself to see if you notice any change in your behavior when speaking to me.

Take care of yourself + I'll see you next year.

Sincerly, Gina Greenwood
